

SERHII MAKOHON

FRONT END DEVELOPER

ABOUT ME

I have over 6 years of experience in IT.

I am a team player who values collaboration, but also works effectively independently.

In my free time, I volunteer, ride a bike and a motorcycle.

I am looking for a Front-End developer position to apply my knowledge and experience in creating quality interfaces. My main stack: HTML, CSS, JavaScript, React and TypeScript. I am excited about new challenges and committed to achieving success alongside your team. Let's make a great impact together ;)
